

Moratorium petition talking points for collecting signatures

### **CAN I SIGN ON LINE?**

Yes, the same petition is on Action Network. Go to:

### **WHAT HAPPENS AFTER I SIGN?**

We are collecting signatures for a few more months. Then we will deliver them to the Governor and our legislators. We will also ask them to meet with us to hear our concerns.

Please send a postcard to your legislator. Go to the table and see Jack. This supports our campaign and the legislator will hear directly from you. You can call or write them directly of course.

### **WILL I GET EMAIL FROM YOU?**

Only if you want to. Sign our list to OPT OUT.

### **HOW ELSE CAN I HELP?**

Come to our meeting with legislators, help us call and write them.
